

2 Checklist for Review of the Child Safeguarding Statement

The Child Protection Procedures for Primary and Post-Primary Schools 2017 require that the Board of Management must undertake a review of its Child Safeguarding Statement and that the following checklist shall be used for this purpose. The review must be completed every year or as soon as practicable after there has been a material change in any matter to which the Child Safeguarding Statement refers. Undertaking an annual review will also ensure that a school also meets its statutory obligation under section 11(8) of the Children First Act 2015, to review its Child Safeguarding Statement every two years.

The checklist is designed as an aid to conducting this review and is not intended as an exhaustive list of the issues to be considered. Individual Boards of Management shall include other items in the checklist that are of relevance to the school in question.

As part of the overall review process, Boards of Management should also assess relevant school policies, procedures, practices and activities vis a vis their adherence to the principles of best practice in child protection and welfare as set out in the school's Child Safeguarding Statement, the Children First Act 2015, the Addendum to Children First (2019) and the *Child Protection Procedures for Primary and Post-Primary Schools 2017*.

Is the Board satisfied that the Child Safeguarding Statement is displayed in a prominent place near the main entrance to the school? As part of the school's Child Safeguarding Statement, has the Board formally adopted, without modification, the 'Child Protection Procedures for Primary and Post Primary Schools 2017'? Does the school's Child Safeguarding Statement include a written assessment of risk as required under the Children First Act 2015? (This includes considering the specific issue of online safety as required by the Addendum to Children First) Has the Board reviewed and updated where necessary the written assessment of risk as part of this overall review? Has the Risk Assessment taken account of the risk of harm relevant to online teaching and learning remotely? Has the DLP attended available child protection training? Has the Deputy DLP attended available child protection training? Have any members of the Board attended child protection training? Are there both a DLP and a Deputy DLP currently appointed?
